2. Commencement Dates

2.1 This Agreement commences on 3 July 2018.

2.2 The Trade Union recognition rights for recognised Trade Unions are automatically transferred over when a maintained school becomes an academy. There is therefore a need to clarify the working arrangements between the trade unions and Anglian Learning in respect of consultation and negotiation and facility time for Union Representatives. The terms of the Agreement which follows provide that clarification.

3. Objectives

3.1 In drawing up this agreement, the Trust and the Trade Unions have a common objective in ensuring the long term efficiency and success of Academies of the Trust for the benefit of students, staff and the communities they serve.

3.2 The purpose of this agreement is to be a Joint Consultation Committee as defined in the relevant ACAS Code of Practise to determine trade union recognition and representation within the Trust's Academies and establish a framework for consultation and negotiation as defined in sub sections 7.3.2, 7.3.3 and 7.3.4 below.

3.3 Both parties are committed to working together in a spirit of mutual confidence, partnership and co-operation to achieve fairness and equality in the treatment of staff.

3.4 The parties have identified common objectives they wish to pursue and achieve. These are:

- 3.4.1 to ensure that employment practises in the Trust are conducted to the highest possible standards;
- 3.4.2 to enhance effective communication with all staff throughout the Trust;
- 3.4.3 to ensure that equal opportunities are offered to staff or prospective staff and that the treatment of staff will be fair and equitable in all matters of dispute;
- 3.4.4 to ensure transparency and accountability for the time spent by representatives who are academy employees on trade union duties.

4. General Principles

- 4.1 The Trust and Trade Unions accept that the terms of this agreement are binding in honour upon them but do not constitute a legally enforceable agreement.
- 4.2 The Trade Unions recognise the Trust's responsibility to plan, organise and manage the work of the Trust's Academies in order to achieve the best possible results in pursuing its overall aims and objectives.
- 4.3 The Trust recognises the Trade Unions' right to protect and advance its members interests and to work with the Trust to promote their terms and conditions of employment.
- 4.4 The Trust and the Trade Unions recognise their common interest and joint purpose in furthering the aims and objectives of the Trust's academies and in achieving reasonable solutions to all matters which concern them. Both parties declare their commitment to maintaining good employment relations.
- 4.5 The Trust and the Trade Unions accept the benefits of joint consultation with a view to reaching agreement in securing their objectives. They acknowledge the value of;
 - up to date information on significant changes which effect the terms and conditions of employees of the Trust;
 - up to date information regarding the time spent on the trade union duties by internal representatives who are employed by the Trust.
- 4.6 Each Anglian Learning Academy will honour the provisions, policies and procedures agreed with the JCC but the Academy management together with any local trade union trade representatives will consider the exercise of local discretion on employment matters where this is provided for.

5. Trade Union Representation

- 5.1 The Trust recognises the Trade Unions listed in this agreement as the sole bodies with which it will consult (and conduct collective bargaining should it be necessary) with a view to reaching agreement on those matters identified in Clause 7.3 of this agreement.

- 5.3 The Trade Unions agree to inform the Trust of the names of all elected representatives in writing at the earliest opportunity and ideally within ten working days of their election and to inform the Trust in writing of any subsequent changes, each time at the earliest opportunity and ideally within five working days of the change having taken place.
- 5.4 The Trust recognises that trade union representatives fulfil an important role and that the discharge of their duties as trade union representatives will in no way prejudice their career prospects or employment with the Trust.
- 5.5 If the management of an Academy of the Trust is considering any form of disciplinary action or investigation against a trade union representative, such action shall not proceed until a paid official of that trade union has been notified. Where a paid official is not available, a senior elected officer will be notified.

The Trust will not refuse such meetings to be held on the premises unless there are good reasons (for example, where complications may occur regarding access to part of a building under PFI contract terms). Meetings will be open to all staff members who are members of the trade union holding the meeting and to others who wish to join following prior agreement with the trade union(s) in question.

Trade union representatives will be obliged to record the cost of telephone calls and multiple photocopying which will be paid for by the appropriate trade union(s).

- 6.3 The Trade Unions commit themselves to training their elected representatives to provide them with the skills and the confidence to undertake their duties properly and effectively. Trade union representatives will be granted reasonable time off at times agreed with the Trust, with pay, to attend training courses run by the trade union or other appropriate bodies which are relevant to the discharge of their trade union duties within the Trust and in accordance with the Trust leave of absence policy.
- 6.4 Without any intent to compromise the fair objectives of the trade unions, the Trust will seek to minimise any disruption to teaching and learning of students which may occur as a result of a staff member's fulfilment of their legitimate representative duty. To enable this, all trade unions recognise under this agreement to cooperate reasonably and fully with any time so spent.
- 6.5 The Trust will permit trade union representatives reasonable time off with pay during working hours where arrangements cannot be made to hold meetings outside of core working hours, or where necessary to prepare for and/or attend meetings at which Trust employee interests are directly represented. In these cases, trade union representatives will give as much notice as possible to the Principal of the need for such time off in order that appropriate cover arrangements can be arranged.
- 6.6 The Trust will provide relevant information for the purposes of consultation (and collective bargaining if necessary) in attempting to reach agreement and consultation in accordance with the ACAS Code of Practice No 1 (Provision of Information to Trade Unions) and Trade Union Congress (TUC) guidelines.
