Admission Authorities are required by section 1:45 of the School Admission Code 2021 (the Code) to undertake consultation every 7-year period even where no changes are required. Several Anglian Learning schools have reached this milestone, and the Trust has decided to harmonise arrangements and complete this activity for all our schools this autumn. In addition, the Code requires other certain changes to be made which are incorporated in our proposals. Consequently, all areas of the admission arrangements have been reviewed and, where necessary, changed

The consultation process allows any concerns, or comments, about these changes to be raised. Your views are sought on these proposals.

**The consultation period is taking place for 6 weeks starting on 22 November 2021 and closing on 21 January 2022.**

At the end of the consultation period, decisions will be made based on the responses and the arrangements will be 'determined' by the Trustees as required by sections 1:49 of the School Admission Code 2021.

**The admission arrangements will be determined by 28 February 2022 and published by 15 March 2022, for the September 2023 school intake.**

The proposed 2023-24 Admissions Policy for each school is available on the Trust website at <https://anglianlearning.org/policies/>
