

CLARE COMMUNITY PRIMARY SCHOOL

Consultation on admission arrangements for the 2027-28 school year

Anglian Learning Trust, as the admission authority for Clare Primary School, is consulting on proposed changes for the September 2027 school year.

Schools are required by section 1:45 of the School Admission Code 2021 (the Code) to undertake consultation when changes are proposed to their admission arrangements. As a new member of the Anglian Learning family, Clare joined with the admission arrangements applicable to the former Stour Educational Trust.

It is now important that we align with the other primary schools in the Trust to ensure seamless support from AL, and consistency of approach for all our parents and children.

This consultation process allows all interested parties to raise any concerns, or comments, about these changes.

Your views are now sought on these proposals.

The consultation period is taking place over the period starting on 17th November 2025 and closing on 2nd January 2026.

At the end of the consultation period, all received submission will be studied and decisions will be made based on those responses. The finalised arrangement will be 'determined' by Trustees as required by section 1:49 of the School Admission Code 2021, by 28 February 2026 and published by 15 March 2026, for the September 2027 school intake.

The proposed Admissions Policy is shown below and is also available on the school website at <https://clareprimary.org> and the Trust's website at <https://anglianlearning.org>

This consultation seeks your views and comments which can be submitted by email to: admin@clareprimary.org or in writing to the school office,
